Mr. Allen W. Dulles, Director  
Central Intelligence Agency  
Washington, D.C.

Dear Mr. Dulles:

After your recent conversation with Mrs. Nelson Poynter, I am taking the liberty of sending you the enclosed brochure, "Source Material on Congress", which explains in detail what Congressional Quarterly is. The government rate for this service is \$96 per year, as detailed in the enclosed card.

Your library is already a subscriber for our other service, Editorial Research Reports, which covers a different field.

Sincerely,

Buel F. Weare
